

Lucas & Megan Hall from Miller, both teachers from Sunshine Bible Academy, brought their children into the Dakota Sunset Museum for a visit. The boys had a baseball game in Faulkton the day before and one in Gettysburg that afternoon, so they camped at the Gettysburg City Park. The boys liked the animals and the family decided their favorite area was by the Civil War cannon. The picture includes Jaxon, Lucas, Megan, Jovie, and Avery Hall. All three of the children were successful in finding all the museum items on their scavenger hunt card!
