

LeeAnn Chilstrom O'Connell, from Wisconsin, visited the Dakota Sunset Museum in search of family information. LeeAnn is the daughter of Patricia (Todd) GHS 1957 and Lee Chilstrom GHS 1957. She is the granddaughter of Roy (1911 – 1990) & Olive Todd (1916 – 1982) and Irene (Warne) (1920 – 1998) & Virgil (1913 – 1983) Chilstrom. Within the Museum's over 15,000 obituaries, LeeAnn was able to find obituaries for all four of her grandparents, great aunt, great uncle, and great-great grandparents. LeeAnn also found family pictures that were new to her. This picture shows LeeAnn having fun exploring the Museum's information.
