

Tim (GHS 1976) and Angela Mangin, from Surprise, Arizona visited the Dakota Sunset Museum. Tim is the son of Elma (1932 – 2019) & Richard (1933 -2000) Mangin. He brought his family to Gettysburg to show his granddaughter the farm and town he grew up in. The family was able to find pictures of grandpa, great-grandma and great-grandpa and other relatives. This picture includes granddaughter, Madden, Grandma Angela, Grandpa Tim, niece Laney, daughter Stefanie and her husband David. Their favorite room in the Museum was the "Music" room. Madden also had fun successfully finding all the museum items on her scavenger hunt card!
