

While on their family reunion trip, the Gilbert and Michelle Sandberg family, from Lehi, Utah, visited our Museum. Gilbert, a 1962 GHS graduate, remembered the Civil War display from previous visits and wanted his family to see it, too. Gilbert has four other siblings who graduated from GHS, so the family found many pictures! Their parents were, Karl Ivar (1903-1952) and Mildred (1906-1989) Sandberg. The Museum has the book that Gilbert wrote about his family, Pioneer of the Prairie – The Life Story of Ivar Sandberg. Gilbert sent an email last week telling us his 12 year old grandson “thought the Museum was the best part of the reunion!”
